Typically, a balloon safari begins at break of dawn, about 6 am, and lasts for around 1 hour, during which you will fly over parts of the vast Masai Mara plain, seeing the magnificent wildlife below, spread over several square kilometers of the reserve. Balloon flights are available daily in Masai Mara and take off from designated sites where the disturbance to animals is kept to a minimum. The flight is followed by a champagne breakfast "in the bush", with a well laid out seating arrangement and waiters on hand, to give you a fitting final to your memorable flight in the wild.
