After this we are exploring the island with a bus, visiting some of the most famous beaches and the inner land- scape. We see fishermen and kaikis, small private chapels and houses built in typical 2ycladic style.

In the second main village of Mykonos, Ano Mera, an idyllic place 6km from town, where the guests have enough free time for a stroll around the traditional square and they can visit the monk monastery Panagia Tourliani built in the 16<sup>th</sup> century.
